*Celebrating
City of Swift Current
Golden Jubilee
1914 - 1964*

Swift Current Agricultural and Exhibition Association

Look at the new symbol of the U.G.G.

The shield as a defence against those who selfishly exploit the grain grower... The letters "UGG" linked in a chain, as the strength of Western farmers working together.

It was the first co-operative grain company launched by prairie farmers.

Today it is one of Canada's largest grain companies.

The U.G.G. directly serves more than 50,000 farmer members and almost 50,000 more through the many services that it has pioneered such as Feeds, Fertilizers, Twine, Chemicals and Insurance.

We like to think the U.G.G. has grown because it provides the best grain handling services available.

It is keeping pace so that it can serve the needs of the farm people of the future.

Congratulations to the City of Swift Current on this your Golden Jubilee year.

Please read carefully the following General Rules as well as the Rules set forth at the beginning of each Department.

All correspondence is to be directed to the Manager of the Swift Current Agricultural and Exhibition Association, Box 146, Swift Current.

- 1 Each exhibitor must make his or her entries on the printed form supplied in this prize list for the purpose. The particulars called for on these entry forms must be supplied, and be written in clear, legible writing and properly signed by the exhibitor or his or her duly authorized agent.
- 2 Exhibitors will please take notice that it is **ABSOLUTELY NECESSARY** that the entries be made on or before the date mentioned at the beginning of each department in order to afford sufficient time to examine the entry form, correspond with the parties when necessary, and for the correction of errors and omissions.
- 3 For each exhibit other than livestock a tag will be sent to the exhibitor specifying the class and number of the entry, which must be attached securely to the exhibit, detaching the claim check stub of same for claiming the exhibit. This rule must be adhered to, otherwise exhibits may not be considered in the awarding of prizes.
- 4 An exhibitor shall, if required by the Association, make statutory declaration that exhibits shown by him or her are made in accordance with the Rules and Regulations of the Association, and in case any exhibitor refuses to make such declaration on being requested, all premiums awarded him or her shall be forfeited.
- 5 Prize winners in all departments except Livestock, may receive their prize money during any day of the Fair after 1:00 p.m. by calling at Association's office on the Fair Grounds. For livestock prize money see Special Rules and Regulations in Livestock Department.
- 6 Articles not accompanied by their owners may be addressed to the Manager, shipping charges the responsibility of the exhibitor.
- 7 Exhibitors will at all times give the necessary attention to whatever they have on exhibition, and at the close of the Exhibition, take charge of same.
- 8 The exhibit building will be closed from 6 p.m. to 7:30 p.m. on Saturday, July 4 to prepare exhibits for distribution, after which time exhibitors may call and receive their exhibits upon presentation of their claim stubs. See page 34 re Public School Work.
- 9 All property of every character entered for competition or display or any other purpose (or being anywhere in the Fair Grounds) shall be subject to the control of the Association; all exhibits for competition are covered by insurance while on display, and while in transit from and to the exhibitor. Claims for articles damaged by fire or stolen must be made to the Manager in writing within seven (7) days of the injury or discovery of loss by theft.
- 10 The Association, its officials and employees, will do their best to avoid any mishap on the grounds or in the buildings, but they will not hold themselves responsible for any accident, injury or damage suffered to persons or property while on the premises.

Our city has set up a committee to spearhead and co-ordinate jubilee activities; many local organizations will take part in celebrations to help round out the jubilee theme.
